NAIDOC WEEK

NAIDOC stands for National Aborigines and Islanders Day Observance Committee. Its origins can be traced to the emergence of Aboriginal groups in the 1920's which sought to increase awareness in the wider community of the status and treatment of Aboriginal and Torres Strait Islander Australians. William Cooper was an Aboriginal Christian leader from the early twentieth century who fought tirelessly for the rights of his people. One of his lasting legacies is what we today celebrate as NAIDOC Week. NAIDOC Week is an annual week-long celebration of Aboriginal and Torres Strait Islander history, culture and achievements and is an opportunity for us to recognise the contributions that Indigenous Australians make to our country and our society. This year NAIDOC Week runs from July 3-10 with events and activities happening across the country.

Growing in Love

Growing in love upward, inward & outward

The mission of our Church is to 'grow in love.'

On Sunday 10 July 2022 we are launching our first 'Testimony Sunday!' The service will include a time of praise and worship, a great way to grow in love upward. Following this 2 people from within our congregation will be sharing their story, what a great way for us to grow in love inward. And following the testimonies there will be a special morning tea to raise funds for mission, growing in love outward.

Join us on Sunday 10 July 2022 as we continue to grow in love.

Focus on Prayer

There are several opportunities for prayer involvement
